Re: EX PARTE -- CC Docket No. 02-35: Application by BellSouth for Authorization
to Provide In-Region InterLATA Services in Georgia and Louisiana

Dear Mr. Caton:

On March 26, 2002, Sherry Lichtenberg, Marc Goldman and I, along with Susan Berlin and De O•Roark by telephone, on behalf of WorldCom, Inc., met with Ren•e Crittendon, Aaron Goldberger, Daniel Shiman, Dennis Johnson, and Ian Dillner of the Wireline Competition Bureau, and Mark Gerner and Hillary DeNigro of the Enforcement Bureau to discuss the BellSouth's application in the above listed docket. In particular, we discussed WorldCom's plans for local residential entry, and our OSS concerns, including change management and testing, progress on single C order implementation, due date calculator problems, incorrect order processing, and line loss issues.

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Keith L. Seat
